Portfolio holdings are subject to change without notice and may not represent current or future portfolio composition. Issuer weights are calculated as a percentage of net assets. Sector data reflects Global Industry Classification Standard (GICS) classifications. Country classification primarily based on MSCI classification (Bloomberg Country of Risk classification when MSCI is unavailable).

The portfolio data is for information only. It does not constitute a recommendation or an offer for a particular security or fund, nor should it be taken as a solicitation or a recommendation to buy or sell securities or other investments. For a complete statement of investments, please see the most recent semi-annual SEC Form N-CSR or the SEC Form N-Q. Investing involves risk, including potential loss of principal.

To determine if this Fund is an appropriate investment for you, carefully consider the investment objectives, risks, charges and expenses of the fund before investing. This and other information can be found in the summary and full prospectuses, which may be obtained by contacting your investment professional or calling Kopernik Funds at 1-855-887-4KGI (4544). Read them carefully before investing. Check with your investment professional to determine if the Fund is available for sale within their firm. Not all funds are available for sale at all firms.
